

To Our Clients,

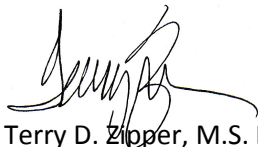

As part of our Nuclear Medicine Program we will write your Radioactive Materials License renewal application for you. In order to do this correctly we need the following information:

1. A scale drawing from Plant Operations showing the nuclear medicine room, the adjacent rooms, and the rooms above and below.
2. A copy of your nuclear medicine diagram showing the location of your camera, dose calibrator, etc., in addition to the above scale drawing.
3. A copy of your most recent license.
4. The manufacturer and model of:
 - a. Nuclear medicine camera(s)
 - b. Dose calibrator
 - c. Survey meter #1
 - d. Survey meter #2
 - e. Wipe test counter
 - f. Thyroid probe
5. The name and phone number of your CEO.
6. Current RSOs and their phone numbers.
7. Current Authorized Users.
8. Any AU's you wish to add or delete.

We appreciate this information and as soon as we get it we will begin the application process.

Our FAX number is 772-9050. Our email address is admin@pciphysics.com.

Please call us at 207-773-1313 if you have any questions.
